

Check Blood Glucose (BG)

- At designated times per school plan /504 plan
- If child complains of signs/symptoms of hypoglycemia/hyperglycemia
- If signs/symptoms of hypoglycemia/hyperglycemia are observed

Name: _____
DOB: _____
School: _____
School Fax: _____

Complete below in this order:

1. Give Glucagon by intramuscular injection 0.3mg 0.5mg
2. Turn child on their side
3. Send someone else to call 911 and the guardian
4. After paramedics arrive and are caring for the child, call UCSF @ 415-353-7337 and leave a message for the child's MD regarding the event

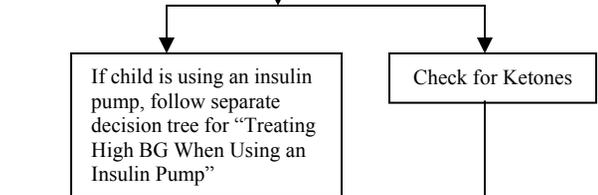

Give **15** grams of fast-acting carbs (ex: 4 oz of juice, 3-4 glucose tablets)
Recheck BG in **15** minutes

Give **15** grams of fast-acting carbs
Recheck BG in **15** minutes

If BG is not ≥ 100 after 2 treatments of 15 grams fast-acting carbs, treat with another 15 grams of fast-acting carbs, send someone to call MD @ 415-353-7337 for instructions (tell the operator that you need to speak with the on call diabetes doctor immediately). Then call guardian.

Child may return to class, activity, etc.
Notify guardian of low blood sugar & treatment

Give insulin **if** indicated per school plan/504 plan
